2. Attendance sheet of student participating in the programme with signature
3. Model certificate, issued to the students

Director/Principal
Govt. College of Pharmacy Rohru
Disst. Shimla HP-171207

Response:

The Govt. college of Pharmacy, Rohru offers three Add-on/ certificate courses to the willing students. These courses include NCC, NSS, and Hospital training.

The duration, enrolment, and attendance of these courses are regulated as per the guidelines of a specific agency, i.e. NCC, NSS, and concerned hospital (for hospital training). The issue of the certificate to these courses is strictly based on the complete attendance of the students and therefore attainment of a certificate could be considered as the indicator of complete attendance.

Therefore following is submitted for consideration:

1. NCC course is of 3-year duration during which many activities are performed, which are mandatory for the successful completion of the course. The attendance of the NCC cadets during various camps/training/ drills/ events etc. is maintained by the NCC Hq under which the activity is being conducted. For example, the previous year the Annual Training Camp of the NCC Cadets was conducted by the 8HP Bn NCC, Rampur at Lal Bahadur Shastri Government College Saraswati Nagar, Rohru Himachal Pradesh. In this camp, a total of 16 cadets participated and their attendance was recorded there only based on which the cadets were issued certificates.
2. The attendance of the NSS activities is recorded in the NSS work diary. The same is being provided for your reference.
3. Hospital training is conducted and completed under the guidelines of the PCI. During this course, students have to attend a hospital training program at any hospital for 30 days. Only those students who fulfill the criteria of completing 30-days of training are provided with a certificate. In this case, also attendance is marked by the concerned hospital.
4. Therefore the award of certificates could be considered as the indicator of complete attendance and the same is being requested to be considered.

The information required for the DVV clarification is provided below in a supporting document that can be assessed through following link:
