INDIA OF MY DREAMS-2047

Developing to Developed

Is the journey of a Nation

'I' to 'Me' and 'My' to 'Our'

Is the key of Mission 2047

In 1947 India got Independence from the British rule after long struggle. India will be celebrate its 100th year of Independence in the year 2047 will be what we create today. I have a greater dreams for India in 2047. I want that in the next 25 years India should transform into a powerful Nation both internally and externally. Everyone should get the necessary education and opportunities for good jobs. Every child of India will be educated in 2047 and no child should be forced into a bonded labour.

My dream for India is that everyone at equal respect there is no discrimination of **Caste, Gender, Colour, Religion and Economic state**

EDUCATION AND EMPLOYMENT

The India of my dream is where every citizen is educated because illiteracy is the band of any country and government to provide equal employment opportunities for all so that the youth get deserving jobs and contribute towards the Nation. Poor child should get an education. There should be no gap between the rich and the poor. India should continue to be land of peace prosperity and truthness.

CASTE AND RELIGION ISSUE

The India of my dream would be an India where people would not be discriminated against on the basis of their caste or religion. Working

together without any partiality will be a very important step in strengthening the Nation.

GENDER DISCRIMINATION

Today women equally participate in every field. They have achieved every position whether it is to become a **PM, an IAS, a Doctor, an Engineer** anything. They have proved themselves. But women are still considered to be inferior to men. I dream of India where there is no gender discrimination. It should be a place where men and women are treated as equal.

**“Gender equality is not a Women issue it is a
Human issue. It affects us all”**

My dream of India as the cleanest country and India should be the best friend of its neighbouring countries. India should be become the most advance country by 2047.

I want to see India is an ideal Nation for ball other countries

FREEDOM FIGHTERS

Dushman ki goliyo ka

Hum samna karege,

Azad hain rahein hain

Azad hee raheng.

Our country, India was enslaved by British Empire and India got freedom from the slavery on 15th August 1947. We did not get freedom easily but many freedom fighters have made a great contribution to make our India free from British. Some of them are Mahatma Gandhi, Bal Gangadhar Tilak, Bhagat Singh, Sukhdev, Subhash Chandra Bose, Rani Lakshmi Bai etc. All these freedom fighters suffer a lot of pain and disrespect. Some freedom fighters choose the path of nonviolence like Mahatma Gandhi and some choose the path of violence like Bhagat Singh. All freedom fighters surrendered their body, family, money, mind to get freedom for their country. Many freedom fighters went to jail and some of them were tortured badly. Many of them went on hunger strike for many days and some died due to this hunger strike. Freedom fighters selflessly sacrifice their lives so that country and countryman can be free. When India was enslaved every day was a struggle for Indians fighting for freedom.

Mahatma Gandhi is known as the father of nation. He followed principle of Ahinsa and nonviolence. Gandhi studied laws and organized boycott against British institution in a peaceful form. The contribution of Gandhi to the Indian freedom cannot be measured in words. **Neta ji Subhash Chandra Bose** was an excellent leader. He travelled to other countries to form alliance and formed Indian National Army or Azad Hind Fauj. He started an armed coup and inspired thousands of Indian youth. His slogan was “**TUM MUJHE KHOON DO MAIN TUMHE AZADI DONGA**”. **Bhagat Singh, Rajguru, Sukhdev** were revolutionary and they were hanged by British rulers. Bhagat Singh popularized the slogan “**INQUILAB ZINDABAAD**”.

Many of courageous women also raised their voice against the British rule. Some of female freedom fighters are Jhansi ki rani Lakshmi Bai, Kasturba Gandhi, Sarojini Naidu, Capt. Lakshmi Sehgal, Madam Cama, Aruna Asif Ali etc. Many female freedom fighters took to the street and led procession and held lectures and demonstrations. The discussion about the Indian movement of Independence is incomplete without mentioning the significant contribution by female freedom fighters.

Freedom fighters of India are the real fighters for establishing new India. Freedom fighters were the leaders who fought for the nation and sacrificed their lives while doing so. We have to salute them and honor them with great respect. We are living in an independent country because they sacrificed their lives.

MOST IMMEDIATE

No. 19/16/2022-Public
Government of India/Bharat Sarkar
Ministry of Home Affairs/Grih Mantralaya

North Block, New Delhi,
Dated the 12th May, 2022

To

Chief Secretaries of all State Governments,
Administrators of all Union Territories, and
Secretaries of all Ministries/Departments of
the Govt. of India.

Subject: Observance of Anti-Terrorism Day -

Sir/Madam,

Every year 21st May is observed as Anti-Terrorism Day. The objective behind observance of this day is to wean away the youth from terrorism and the cult of violence by highlighting the sufferings of common people and showing as to how it is prejudicial to the national interest. To achieve the above objective various anti-terrorism programmes and drives had been organised in the past.

2. In view of the ongoing Covid-19 pandemic, it is imperative to follow the preventive measures such as maintaining social distancing, wearing of masks etc. as prescribed and recommended by the Ministry of Health & Family Welfare, while organizing the appropriate programme for the occasion.

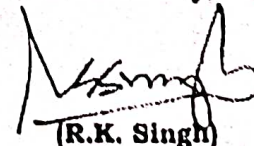

3. This year 21st May falls on Saturday, a closed holiday for Central Government offices. To avoid inconvenience to the employees who have to travel long distance from suburbs/cities to come to office on Saturday, it has been decided that the 'pledge taking ceremony' in the offices of the Central Government may be held on Friday, the 20th May 2022. However, if 21st May, 2022 is not a closed holiday for the State/UT Government, the pledge taking ceremony may be held on 21st May, 2022. The ceremony may preferably be held in the forenoon.

4. It is proposed that anti-terrorism pledge may be taken in all Government offices, public sector undertakings and other public institutions. Keeping in view the safety of participants and organisers and to avoid public gathering, officials may be advised to take anti-terrorism pledge solemnly in their rooms/offices itself. A copy of the 'pledge' (both in English & Hindi) is enclosed (**Annexure**).

5. In addition, considering importance and solemnity of the occasion, innovative ways of propagating the message of anti-terrorism through digital and social medial platforms, may also be considered.

6. Accordingly, I request you to kindly observe the Anti-Terrorism Day in a befitting manner.

Yours faithfully,

(R.K. Singh)
