Response:**3.5.1 Number of MoUs, collaborations/linkages for Faculty exchange, Student exchange, Internship, Field trip, On-the-job training, research, and other academic activities during the last five years**

Considering the rapidly changing scenario in the era of technology, the Govt. College of Pharmacy, Rohru understands the necessity of imparting quality education to its students that matches the need for advancements in industry and academics. To achieve this the institute has signed MoUs with various pharmaceutical industries and academic institutes imparting pharmacy education. The prime focus of the MoUs is to guide the students regarding academics, industry needs, and career counseling. Moreover, The MoUs focus on faculty exchange, industrial visits, guest lectures, industrial training, possibilities of placements and internships, etc. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working careers. The institute is also providing its Laboratories / Workshops / Industrial Sites for hands-on training of students or learners. MOUs also ensure the collaboration and cooperation between industrial-academic relations and promotes the more effective use of their resources as well as other tools through which students can enhance their practical and industrial knowledge.

During the assessment period (2017-28 to 2021-22), the Govt. College of Pharmacy, Rohru signed a total of 09 MoUs, amongst which 07 were signed with the Pharmaceutical Industries and 02 with the academic institutes engaged in providing pharmacy education. The details of the same are as follows:
