IT infrastructure

The institute has 3.6 acres of land and has a massive infrastructure of around 5197 sq.m. which comprises Academic block, Admin block, Girls Hostel, Guest room along with Director/Principal as well as faculty residences. The institute has well-equipped computer and language lab with thirty-two computers, out of which twenty-five computers are with latest technology of I-3/I-5 processor, 8 GB RAM. The institute also has various purchased and trial version software's which helps students in their research activities. The institute also has paid language lab and communications skill software which enhance the students learning and communication skills. The physiology and pharmacology experimental paid software are also available in the institute as per Pharmacy Council of India (PCI) curriculum. Through these software's students learn the experimental section of pharmacology and physiology and also know the animal handling procedure. The institute has paid software of Microsoft office of 2007, 2010, 2019 (Student versions) and MS office 365.

Apart from this, the institution also has trial version software's like Design of Experiment (DOE) by which students learn and know the optimization process of formulations. The institute also has Graph Pad prism version 5, SPSS trial version which helps students in their research activities. The institute also has free version molecular docking software's like auto dock vina, auto dock tools, Cam draw, Marvin sketch, pymol by which students learn about the molecular based principles like ligand and protein based etc. The institute has LAN and wi-fi connectivity in all blocks i.e. academic, admin, and girls hostel etc. The institute also has one smart classroom with smart panel podium along with projector, and one computer with latest configuration. The institute has 24x7 internet facilities with 100 MBPS internet speed from lease line BSNL and is provided freely to students, and the staff members.

Computers available for Students = 39 (Thirty-Nine)
