Every year the Govt. College of Pharmacy, Rohru take up an initiative to prepare its students for the National and State level competitive examination and for various interviews for enrolment in higher education and jobs in the pharmaceutical industry. The institute specifically deputed all the faculty members of the institute to regularly take classes and prepare students for the competitive exams and interviews. For this, the institute has specifically given various slots in the time table of 7th and 8th Semester (by the name of GPAT and Project). During these time slots, the faculty members of the institute takes regular classes of the final year students and prepare them for competitive exams and interviews. We have received exceptionally excellent result by following such pattern of guiding students and the impact of this practice is evident from the results achieved by our students as depicted above in the table of “5.1.3.1 Number of students benefitted by guidance for competitive examinations and career counselling offered by the institution year wise during last five years”.

The table above represents the number of students that were enrolled in the special classes for National and State level competitive exams, job interviews, and interviews of higher education institute. These classes were organized by the Govt. College of Pharmacy, Rohru during the 7th and 8th Semester of each year. Since this is the regular practice followed by the institute for the career development/ advancement of the students and all the staff members were engaged in taking these classes, we did not make any special provisions for taking photographs of these classes, and therefore such photographs are not available.

However, as per the DVV clarification, the information regarding 1) Copy of Circular of program and 2) Year-wise list of students attending these schemes, signed by competent authority, is being provided below.

As far as the resource persons are concerned, the institute diploid all its teaching staff, who can be considered as the resource persons for these classes. We have received exceptionally excellent result by following such pattern of guiding students and the impact of this practice is evident from the results achieved by our students at the national and state levels.

1) Copy of Circular of such programs

2) Year-wise list of students attending these schemes, signed by competent authority
