Subject: Final report of the Annual Sports Meet 2018-2019

Dear Sir

This is with reference to the Office Order No. 122, Endst. No. GCPR/Trg./Misc/2018-19-613 dated 30-04-2019. I was appointed as the Sports in-charge for the Annual Sports Meet, which was organized at the SIRDA Institute of Engineering & Technology, Sundernagar, H.P., w.e.f. 3rd May 2019 to 5th May 2019. 1. A group of 37 students were approved by the GCP administration to represent our college at the event, however, due to some family/personal reasons Ms. Mamta Kaundal (4th Semester) withdraw her name form the event. Ms. Sunita (4th Semester) joined us at Sundernagar. Therefore, a total of 35 students and three staff members left for Sundernagar on 2nd May 2019.
2. On 6th May 2019, we returned back to GCP, Rohru with 34 students. Sh. Jagroop Singh and Sh. Sahil Thakur were granted leaves for their personal work.
3. All the students maintained proper decorum and discipline during entire event. There was no incident of indiscipline of and kind during the event or journey.
4. Both accompanying staff members, Sh. Hari Singh and Smt. Suman Lata, justified their duties very well and demonstrated proper commitment towards the duties assigned to them.
5. Accommodation and meals on the part of SIRDA Institute was very well and our students/staff were satisfied with the arrangement and hospitality of the host staff.
6. All the sports equipment issued to the students has been returned to the college in good condition with minor repairing needed in few things.

8. We won 2nd position in the girls Volleball event. We reached the semifinals of Kabaddi (Boys), Badminton doubles (Girls) and Badminton singles (Girls) events. Although we lost the semifinals of these events, but it was a commendable performance on the part of our students. Our students earned everyone's respect and held high the name of GCP, Rohru by their performances.
9. As a part of expenditure for this event, I was issued an advance sum of Rs. 80,000/- (Eighty Thousand Only) from the college administration. Following is the details of the expenditures incurred during event:

Sir, overall it was a successful event and was a team effort of our college administration, teaching staff and non-teaching staff. **For the success of this event, I would personally praise the tremendous selfless efforts given Sh. Hari Singh and Sh. Satpal to prepare our students of this event.** I request you and recommend these two for a special appreciation from GCP Rohru Family. Apart from this, I would like to give **few recommendations** based on my experience of the event, so as to make events like this a greater success in future. Please consider following points:

1. Sir, level of this event is very high and I observed an insufficient practice of our students for this event and our students were bit low in confidence on seeing others compete. Sir, if we have to win at a stage like this where every technical institute competes for their prestige, we need to prepare our students well in advance.
2. Hostel timings for the girls need to be revised on a serious note for the entire year. We need to start our preparations well in advance.
3. We need to provide some sort of motivation to our students for participating in sports activities. It may be in form of extra/compensatory attendance, some marks for participation/winning in internals etc.
4. Interclass sports events should be there once in each semester.
5. Some provision need to be worked out to make indoor stadium facility available for our students, especially badminton.
6. A constant motivation is needed for our students, may it be in academics or in sports or in extra-curricular activities.
7. College bus need to be put in the regular running condition with serious instructions to the driver.

I congratulate you for the success of this event and I thank you and our staff for providing us with facilities and required permissions, which resulted in the success of this events.

Sincerely

Vineet Mehta
