Objectives of the e-governance policy: -

1. To deploy electronic governance across the entirety of an organization's functional domains in order to deliver a governance system that is both highly structured and highly effective.
2. To promote openness and responsibility in the institution's operations.
3. To ensure paper less administration in the institution.
4. To enable faster and easy access of institution related information to all stake holders.
5. To establish ICT enabled classrooms and Library with Wi-Fi enabled campus to enhance student learning and skill updation.

Policy: -

It is becoming standard practise for educational institutions to incorporate the usage of information technology into all aspects of their operations in order to enhance the many functions of the institution and better meet the requirements of its constituents. The institute has formulated a policy in order to make certain that each and every function of the college is accountable and transparent. It also comprises the dissemination of policy and programme related information with stakeholders, as well as the automation of all academic activities, accounts, and administration, among other things.

Implementation of e-governance in area of operation of General Administration-

1. A specially designed software was put into the practice of supervising the entire service units of the office.
2. Email communication was encouraged by the Administration and implemented into the system to communicate with the Governing Body, Teaching and Non-Teaching Community.
3. Website is mostly used as a communicating forum through which all administrative information including notices were published.
4. Attendances of all the staff members were recorded with the help of Biometric Device.
5. Unlimited Internet Facility to students and staff is provided.
6. A software available in the online platform is used for all types of data collection needed for IQAC, to promote ECO Friendly Campus concept.
7. CCTV Cameras are installed at various locations of the premises, to ensure the security and safety of the students.
