Supporting Documents (2022-23)

Kindly find below the links to the attached documents for the required information for the assessment period authenticated by the Director/ Principal on the letterhead of HEI.

4.1.3.1 - Number of classrooms and seminar halls with ICT facilities:

The institute has a well-equipped computer and language lab with more than thirty computers, out of which twenty-five computers are with the latest technology of I-3/I-5 processor, 8 GB RAM. The institute also has various purchased and trial version software which helps students in their research activities. The institute also has the latest software for language lab and communication labs which have proved as excellent tools during COVID era.

Also, the language lab and communication software are used to improve communication skills of the students and to prepare them for various presentations and mock interviews. The physiology and pharmacology experimental (purchased) software are also available in the institute as per Pharmacy Council of India (PCI) curriculum. Through these software's, students learn the experimental section of pharmacology and physiology and become aware of the animal handling procedure. The institute has paid software of Microsoft office of 2007, 2010, 2019 (Student versions) and MS office 365.

Apart from this, the institution also has trial version software's like Design of Experiment (DOE) by which students learn and know the optimization process of formulations. The institute also has Graph Pad prismversion5, the SPSS trial version which helps students in their research activities. The institute also has free version molecular docking software's like auto dock vina, auto dock tools, Cam draw, and Marvin sketch, pymol by which students learn about molecular based principles like ligand and protein interaction, drug designing and optimization of targets. The institute has LAN and wi-fi connectivity in all blocks i.e. academic, admin, and girls hostel etc. The institute also has one smart classroom with smart panel podium along with projector, and one computer with latest configuration. The institute has 24x7 internet facilities with100MBPS internet speed from lease line BSNL and is provided freely to students, and the staff members. The conference room in the administrative block has smart LED with interactive version that has proved a valuable tool for students' presentation, workshops and organizing webinars and seminars etc.
