5.1: Student Support

5.1.1: Number of students benefited by scholarships and free ships provided by the Government during the year

The Govt. College of Pharmacy, Rohru is committed to exploring and providing all potential scholarships to the enrolled students. The institute has developed an internal mechanism through which the students are regularly informed about the available scholarships, new updates, eligibility criteria, merit, number of scholarships available under a particular scheme, amount of scholarship, etc.

The institute prefers students to apply for various scholarships through National Scholarship Portal or other offline/ online means. Unfortunately, one student can apply only for one scholarship in the 1st year. If the scholarship is sanctioned, it will be renewed in subsequent years based on the guidelines.

However, there are chances that the scholarship student applied, he/ she did not fall under merit and receive the scholarship in 1st year. In such cases, there is no option for the student to apply again in the second year. To counter this situation and prevent students from filling the scholarships for which they have the least probability of getting, the institute is continuously involved in analyzing the data of the scholarship applied v/s the scholarship received by the students. This data generated from previous years helps the institute to provide proper guidance to the students regarding which scholarship a student is most likely to get, based upon their merit, category, number of available scholarships, and other crucial criteria. We have received very good results in terms of successful scholarship recipients in the past couple of years following this method.

Further, two scholarships are applied offline and can be applied by the students of any year, given that his/ her results are all clear. These scholarships include हिमाचल प्रदेश भवन एवं अन्य

निर्माण कामगार कल्याण बोर्ड Scholarship and Directorate of Technical Education, Vocational and Industrial Training, Himachal Pradesh Poverty-cum Brilliance (Merit) Scholarship. The students who fail to get a scholarship in the first year are encouraged to apply for these scholarships and for this also we have observed very good stats.

Moreover, the institute keeps track of the students who require some financial support for their education. The institute has initiated two scholarships at the institute level for these students. These scholarships include KCR-JLM Memorial Voluntary Scholarship Donation Scheme (managed by Dr. Vineet Mehta) and Saubhagya Scholarship Scheme (managed by Dr. Vivek Sharma).

During the year, a total of 76 students have benefited from various scholarships, with a total amount of Rs. 18,17,400/-. A total of 18 applications under हिमाचलप्रदेशभवनएवंअन्यनिर्माणकामगारकल्याणबोर्ड Scholarship scheme has been recommended for the total scholarship amount of Rs. 21,60,000/-, however, the amount has not yet been credited to the account of the students. Once these scholarships are credited to the students, a total of 95 students will be benefitted from scholarships in the last year, with the scholarship amount of Rs. 39,77,400/-.

The details can be found in the table below.

1	Total number of students benefited by scholarships during the year	76
2	* Total number of students expected to be benefited by scholarships during the year	94
3	Total amount received as scholarship during the year	Rs. 1817400/-
4	* Total amount expected to be received as scholarship during the year	Rs. 39,77,400/-
