5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Government College of Pharmacy, Rohru was established in 2005, offering the Bachelor of Pharmacy program. Over the years, 15 batches have successfully graduated, and many alumni now occupy esteemed positions in various sectors including industry and academia. The college is committed to uniting its alumni on a common platform to provide personal and professional support through a self-help community.

While the dedicated space for the alumni association on the website is still under development, the institute has established an online presence across various social media platforms and facilitates direct interactions. Through these channels, alumni actively contribute to the welfare of current students, focusing primarily on career guidance and placements.

The mission of the alumni group is to foster a dynamic, global network that actively engages alumni in the institute's development. Alumni are frequently invited to participate in guest lectures, career discussions, workshops, and other events. Additionally, arrangements are made for alumni to directly interact with students, offering guidance and opportunities for their professional growth.

The prime focus of alumni engagement includes:

- Organizing successful reunions, initiated from the academic year 2021-22 with the first alumni meet of the institute. The institute commits to hosting such events annually to facilitate direct interaction and benefits for current students.

Director/Principal
Govt. College of Pharmacy Rohru
Disst. Shimla HP-171207

- Involving alumni in student development through participation in ongoing academic activities such as teaching, research, workshops, conferences, and placements.
- Initiating processes to promote relevant fundraising activities for the development of the college.
- Promoting best practices in various areas of social life for the benefit of society.
- Promoting the possibilities of raising funds for research and scholarships for needy students through alumni contributions.

To foster a strong relationship, the College maintains regular contact with alumni and former faculty through various email groups and social networking platforms like Facebook, Instagram, etc. Former faculty and alumni actively participate in major college functions such as workshops, orientations, and career guidance sessions.

The 1st online alumni meet with the first batch of alumni was a resounding success. This event served to motivate and strengthen the GCP Rohru family, with distinguished alumni coming together to share stories of their career and life journey for the benefit of younger students. The institute plans to host annual alumni meets and felicitation programs where alumni will be recognized for their contributions to the field of pharmacy and will have the opportunity to mentor present students through career counseling, guidance, scholarships, etc.

Alumni Corner in the 6-monthly College Newsletter

Alumni Section

The alumni of GCP Rohru give their valuable services in all sectors as Assistant Professors, Drug inspectors, Pharmacy officers, corporate sectors (like Parexel, IQVIA), and other top multinational companies (like Sun Pharma, Dr. Reddy's, Cipla, Pfizer, Novartis and many more). Some opted for post-doctoral fellowship programs abroad. Maximum students crack GATE/GPAT, a national-level entrance exam for higher education, and get enrolled in high-ranked Indian research institutes such as NIPER, CSIR, IIT-BHU, IIIM Jammu, Panjab University Chandigarh, Jamia Hamdard, DIPSAR, and other central universities. This year our alumni Mr. Yogesh Kumar and Mr. Ankit Kumar from Batch 2015-2019 and Ms. Komal Dogra from Batch 2017-2021 qualified for the GPAT exam 2023.

“As an alumnus of GCP Rohru, I find myself reflecting on the profound impact this institution has had on my life. Beyond the classrooms and textbooks, it provided an environment of growth, encouragement, and endless possibilities. The dedicated faculty and staff shaped not only my academic foundation but also my character and values. The lifelong friendships I made during my time here have become an invaluable support network. GCP Rohru instilled in me the belief that I could achieve anything I set my mind to, and for that, I will be eternally grateful. It is with immense pride that I carry the name of my alma mater with me, knowing that it has prepared me to navigate the challenges of the real world. Thank you, GCP Rohru, for being the catalyst that propelled me towards a bright and fulfilling future.”

Dear Alumni
I hope all of you are doing well!

I am glad to inform you all that **Dr. Reddy's Laboratories (Baddi Plant)** is having an opening for Production Officer.

They will consider you as Freshers, the rest is up to the negotiations that you can make.

A total of 15 vacancies are there and preference will be given to the alumni of this institute. I believe this is a great opportunity for you all.

If anyone is interested to join, drop me an email with your CV.

Regards

Dear Students and Alumni

I would like to inform you all that the **Jamia Hamdard PMU** will be organizing a hands-on training under the "**DST STUTI Training Programme**" from **20th December 2022 to 26th December 2022**. It will be a great learning opportunity for those students who are either doing the **M. Pharm/ MS Pharm or Ph. D.** or are **willing to pursue higher education** in the future or are **currently serving as Assistant Professors** (willing to grow professionally in their careers).

During the 7-days of **hands-on training**, you all will be given opportunities not only to **learn experimental techniques** through a hands-on approach, but **you all will be able to interact with renowned scientists and young researchers**, this will be a great learning experience and will help you to **establish a few life-long scientific networks** that will exceptionally improve your career.

The details of the training program can be found in the attached brochure.

Registration is free of cost and the last date is 5th December 2022.

If there is anything needed from my end, you can ask directly also.

Regards,

(T&P Officer, GCP Rohru)—
