### 3.1.2.1 - Number of departments having Research projects funded by government and non-government agencies during the year

This institution does not have separate departments however all research activities are conducted under the Pharmacy discipline. During the academic year 2023-24, we received funding for a significant research project as we have already mentioned in the previous criteria i.e. 3.1.1. This project focuses on creating a database of unique microbial species found in extreme climatic conditions using advanced biotechnological methods.

The details of the project are provided below:

Project Title	Principal Investigator(s)	Funding Amount	Project Duration	Funding Agency	Type of Funding
Building a Nature Intelligence Platform: A Repository of Novel Species of Microbes Found in Extreme Climatic Regions Through the Application of Novel Biotechnological Tools	Dr. Vineet Mehta	5,00,000/-	3 months (extended to 12 months)	ECSO Global Private Limited (ABSOLUTE)	Non-Government
	Dr. Priyanka Nagu				
	Dr. Pankaj Sharma
