### 3.1.3.1 - Total number of Seminars/conferences/workshops conducted by the institution during the year.

Govt. College of Pharmacy hosts a variety of seminars, conferences, and workshops throughout the year. These events serve as valuable opportunities for students and faculty to engage in discussions, share knowledge, and gain insights into various subjects. The scope of these gatherings ranges from academic topics to practical skills development, ensuring that participants receive a well-rounded educational experience. The purpose behind organizing these events is multifaceted. Firstly, they aim to supplement classroom learning by providing real-world perspectives and applications. Additionally, they foster a sense of community and collaboration among students, faculty, and industry experts. These events also serve as platforms for networking, career exploration, and professional development, equipping attendees with the skills and connections necessary for success in their chosen fields.

During the session 2023-2024, a one day national seminar entitled “**Emerging Role of Artificial Intelligence in the Health Sector: Challenges and Opportunities**” was conducted by the college. The details of the workshop are as follows:

Year	Name of the workshop/ seminar	Number of Participants	Date From – To
