4.3.2 - Number of Computers.

Govt. College of Pharmacy, Rohru, is equipped with adequate IT infrastructure to facilitate academic and administrative functions. The institution has 45 computers available for use by students and staff, along with reliable internet connectivity. These computers are distributed across various departments, the library, and the computer lab to ensure accessibility for both curricular and co-curricular activities. Regular maintenance and upgrades are undertaken to keep the systems functional and up-to-date. The IT infrastructure plays a crucial role in supporting teaching, learning, and research activities, providing students with essential digital tools for academic excellence.

The institution currently has 45 computers for 245 students, resulting in a **student-to-computer ratio of 5:1**. This ratio ensures that students have reasonable access to computers for their academic and research requirements. Efforts are being made to further improve the availability of IT resources to enhance the learning experience for students.
