1. Spoken Tutorial Program

Spoken Tutorial is a multi-award winning educational content portal. A spoken tutorial is an audio-video tutorial that explains an activity performed on the computer. An expert explains the working of software, by demonstrating it on the screen, along with a running commentary. Through this platform students can learn various Free and Open Source Software all by oneself. The self-paced, multi-lingual courses ensure that anybody with a computer and a desire for learning can learn from any place, at any time and in a language of their choice. In the institute Sh. Pankaj Jinta (Assistant Professor, Pharmacognosy) holds the charge of Spoken tutorial. Around 246 students of GCP Rohru underwent training under the program and successfully qualified. The program provided an opportunity for students to learn various open-source softwares through recorded lectures delivered by experts from IIT Bombay. Under this program, students are trained in the software every semester, and at the end of the semester, they take an online test conducted by IIT Bombay to earn certifications.

2. Yoga & Meditation

A life skills program has been initiated in the college to enhance the fundamental life skills, including social, thinking, and emotional skills, among the students, and to instill moral values. This program serves as a platform for students to develop adaptive and positive behaviors, enabling them to effectively cope with the demands and challenges of everyday life. Various activities are employed to impart life skills, such as yoga, discussions, debates, role-playing, brainstorming, storytelling, singing, dancing, drama, case studies, miming, poetry, question and answer sessions, games, and teamwork. As part of the routine, students engage in yoga exercises and meditation under the life skills program. Additionally, other activities are conducted periodically in collaboration with other clubs to foster talent, courage, and stress management, alongside their academic pursuits. Ms. Shivani (Assistant Professor) holds the charge of Life skills program in the institute.

Subject: Report regarding participation in national conference at Maharaja Agrasen University Baddi and Industrial tour at pharmaceutical company Innova Captab Baddi.

Respected Sir,

With due regards, in reference to your good Office Order No. GCPR/Trg/-20 dated 01.02.2024, vide which we are pleased to submit the report on the conference participation at Maharaja Agrasen University Atal Kunj Baddi along with educational cum industrial tour conducted at Baddi from 8th February 2024 to 11th February 2024. A team comprising 45 students (33 Girls and 12 Boys) from the 6th semester of Govt. College of Pharmacy Rohru, along with Assistant Professors Dr. Harish Kumar, Sh. Raneev Thakur, and Ms. Shivani, embarked on the tour. On 8th February 2024, the journey starts, and at around 5pm we arrived at Kalka and sought the blessings of Goddess Kali (Annexure -I) before proceeding to our pre-booked residence for accommodation at Maharaja Agrasen University Baddi. On February 9th and 10th, 2024, we attended a National Conference entitled "Future of Pharmacy: Emerging Trends & Opportunities" organized at Maharaja Agrasen University Baddi. Dr. Montu Patel President of Pharmacy Council of India (PCI) was the Chief Guest of the conference. He delivered an informative talk on Current Aspects of Pharmaceuticals. Dr. Harish Kumar (Assistant Professor) and Sh. Raneev Thakur (Assistant Professor) were honored as guests of honor and interacted with the eminent personalities.

Additionally, 17 students presented posters, one student and one faculty namely Sh. Raneev Thakur of this institute delivered oral presentation in the conference on the themes described on the brochure of the Conference. Tammana Katoch received the 1st prize for her poster presentation. Sh. Raneev Thakur (Assistant Professor) received second prize in oral presentation (Annexure - II). Following the conference, on the evening of February 9th, the students visited Yadavindra Garden situated at Pinjore to explore the historic background of the place (Annexure -III). In the afternoon of 10th February 2024, we successfully conducted an industrial visit to Innova Capta

Pharmaceuticals Baddi. The students learned about the details of pharmaceutical manufacturing unit, quality assurance, quality control, raw material, and packaging department etc. and learned the importance of employment in the pharmaceutical industry sector. The total strength of 45 students were participated in this visit, in which the trainees mainly understood the working process of new equipment such as 18 nozzle tablet coating machines, compression based capsule filling machine, liquid filling machine etc. (Annexure –IV).

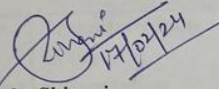

On February 11th, 2024, we returned to Rohru, stopping on the way to seek blessings from Mahadev at Jatoli Temple in Solan followed by delightful Bhandara (Annexure –V). The visit proved to be highly fruitful and knowledgeable. The conference certificates are also attached as Annexure-VI. We have also attached photographs of the event for your reference. This is for your kind information please.

Thanking you.
