6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell (IQAC) has significantly contributed to institutionalizing quality assurance strategies and processes through various initiatives. IQAC regularly conducts monthly meetings with specific agendas, followed by action-taken meetings to ensure effective implementation of decisions and continuous improvement. During the academic year 2023-2024, a well-structured induction program for newcomers was planned, with a detailed schedule prepared and roles assigned to faculty members for smooth coordination. The academic timetable was drafted, faculty feedback was collected, and the finalized timetable was displayed promptly, ensuring strict adherence to the academic calendar. To enhance campus facilities, IQAC facilitated the selection of vendors for opening a stationery shop and canteen. The Mentor-Mentee Program was effectively implemented by assigning mentors, distributing structured formats for meetings, and organizing monthly feedback sessions to address mentees' concerns. Additionally, the schedules for the first, second, and improvement sessional examinations were circulated, ensuring syllabus alignment. The IQAC initiated the setup of smart classrooms, with proposals prepared and priority infrastructure work initiated. A periodic newsletter was introduced to showcase institutional achievements, events, and academic activities. Further, IQAC organized a national seminar by finalizing themes, inviting keynote speakers, and streamlining registrations. An alumni meet was also planned with a structured agenda, focusing on alumni interactions, career guidance, and experience-sharing sessions. These initiatives demonstrate IQAC's commitment to fostering institutional growth and maintaining academic excellence.

Subject: Report regarding participation in national conference at Maharaja Agrasen University Baddi and Industrial tour at pharmaceutical company Innova Captab Baddi.

Respected Sir,

With due regards, in reference to your good Office Order No. GCPR/Trg/-20 dated 01.02.2024, vide which we are pleased to submit the report on the conference participation at Maharaja Agrasen University Atal Kunj Baddi along with educational cum industrial tour conducted at Baddi from 8th February 2024 to 11th February 2024. A team comprising 45 students (33 Girls and 12 Boys) from the 6th semester of Govt. College of Pharmacy Rohru, along with Assistant Professors Dr. Harish Kumar, Sh. Raneev Thakur, and Ms. Shivani, embarked on the tour. On 8th February 2024, the journey starts, and at around 5pm we arrived at Kalka and sought the blessings of Goddess Kali (Annexure -I) before proceeding to our pre-booked residence for accommodation at Maharaja Agrasen University Baddi. On February 9th and 10th, 2024, we attended a National Conference entitled "Future of Pharmacy: Emerging Trends & Opportunities" organized at Maharaja Agrasen University Baddi. Dr. Montu Patel President of Pharmacy Council of India (PCI) was the Chief Guest of the conference. He delivered an informative talk on Current Aspects of Pharmaceuticals. Dr. Harish Kumar (Assistant Professor) and Sh. Raneev Thakur (Assistant Professor) were honored as guests of honor and interacted with the eminent personalities.

Additionally, 17 students presented posters, one student and one faculty namely Sh. Raneev Thakur of this institute delivered oral presentation in the conference on the themes described on the brochure of the Conference. Tammana Katoch received the 1st prize for her poster presentation. Sh. Raneev Thakur (Assistant Professor) received second prize in oral presentation (Annexure - II). Following the conference, on the evening of February 9th, the students visited Yadavindra Garden situated at Pinjore to explore the historic background of the place (Annexure -III). In the afternoon of 10th February 2024, we successfully conducted an industrial visit to Innova Capta
