**7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year.**

The institute's core values are embedded in its vision and mission, emphasizing the holistic development of students and fostering a strong sense of ethics. Equal participation and impartiality are fundamental principles that permeate every aspect of campus life. Efforts are made to ensure gender parity in all activities, including selecting class representatives, membership in committees like the SWF Committee and the student grievance committee, and participation in events and guest lecturers focused on gender equality. Both genders are equally encouraged to participate in extracurricular activities organized by different units and clubs such as NSS and NCC units, with initiatives taken to ensure the active involvement of female students. The institute also prioritizes the health and well-being of its female students by appointing a female dispenser responsible for maintaining a first aid box and overseeing the health concerns of female students in both the college and the hostel. Additionally, the institute organized and participated in various initiatives aimed at gender sensitization, including awareness lectures focused on personal hygiene and promoting women's education, health, and social safety.

## **Hostel Facility:**

The institute provides a dedicated hostel facility for female students, located in a multi-storey building at the entrance of the campus. This hostel can accommodate approximately 90 students. Final year students are allocated single rooms, while other students reside in triple occupancy rooms. Additionally, one ground floor room is reserved for Divyang student ensuring accessibility for all.

The hostel is equipped with essential infrastructure including reliable water and power supply, safe drinking water facilities, and recently installed Wi-Fi connectivity. A public announcement system has also been extended to the hostel premises, enhancing communication and safety. Regular maintenance and cleaning of water facilities, along with CCTV surveillance, contribute to maintaining discipline and security within the hostel. The hostel is equipped with a backup generator (GENSET) to address potential electricity issues during winter sessions, ensuring uninterrupted power supply to support students' academic activities.

The aesthetically pleasing campus and hostel environment foster a homely atmosphere conducive to extended study hours and personal growth. In addition to these amenities, the hostel provides vending machine facilities for students' convenience, along with a sanitary napkin disposal machine, promoting hygiene and comfort for female students. These facilities are designed to enhance the overall living experience and well-being of the students residing in the hostel.
