

Dear Students, Faculty, and Staff,

Let us all unite in building a Drug-Free Himachal. I urge everyone to actively use and promote the Drug-Free Himachal App, a vital tool to report suspicious activities anonymously and stay informed. This initiative empowers every citizen to stand strong against the growing threat of substance abuse. Stay alert, stay aware — and do not hesitate to report any instance of drug peddling or suspicious behaviour in your surroundings. Together, through awareness, vigilance, and collective action, we can safeguard our youth and community.

Let this message reach every corner — Say No to Drugs, Yes to Life.

WHOEVER
Cultivates,
Produces,
Manufactures,
Transports,
Purchases,
Trades,
Consumes
narcotic drugs and
psychotropic substance is
serious offence as per NDPS Act

Inform about drug peddling
1908
(TOLL FREE)
Secrecy will be maintained

17 JUN 2022

The Drug Free Himachal Mobile app, developed by NIC HP enables citizens to inform the Police about any drugs related activities such as Shipment, Movement, Storage/Usage & Selling of Drugs etc. The app also provides varied information to create awareness about the harmful effects of Narcotic Drugs.
