

Govt. College of Pharmacy, Rohru

Celebrates the Birth Anniversary of Dr. Vikram Sarabhai

Indian Space Week 2025

(12th – 18th August 2025)

Why August 12?

- **August 12** marks the **birth anniversary** of **Dr. Vikram Sarabhai (1919-1971)** the visionary **father of the Indian Space Program**.

About the Celebrations:

Indian Space Week is dedicated to **fostering curiosity, scientific thinking, and innovation** among students. Celebrations **aims to inspire students** and **honor the legacy** of **Dr. Vikram Sarabhai** and other **Indian space pioneers**.

Objectives	Event Highlights
Honour the legacy of Dr. Vikram Sarabhai	Inaugural Session & Documentary on Dr. Vikram Sarabhai's life and contributions
Encourage scientific temperament in students	Poster Making & Quiz Competitions – Theme: “Space for Sustainable Future”
Explore the intersection of pharmacy and space technology	Model Exhibition – Space exploration, satellites, and pharmacy in space
Promote the sense of curiosity and innovation	Guest Lecture – “Role of Science & Technology in Modern Pharmacy”

Did You Know?

- **India** launched its **first satellite, Aryabhata, in 1975**.
- **ISRO** (Indian Space Research Organisation) is among the **world's top space agencies**.
- **Dr. Sarabhai's vision led to the creation of ISRO** and paved the way for India's achievements like the **Mars Orbiter Mission**.
